Sir,

(sl 69) With reference to Proceedings of Government No 12111-12 / 27.136.95 dated 7th May 1897 sanctioning an appropriation of Rs 261. from VIII (c) drains repairs in the budget of Hoading for 1896-97 for the removal of the sweepings collected behind Koberpetta in Hoading, I have the honor to state that the work in question was not taken up during 1896 97, as formerly proposed and that consequently the appropriation sanctioned therefor was on 30th June 1897 It was however carried out and completed at a cost of Rs 7 during 1897-98. This sum was duly passed and charged in the account for November 1897. But the Comptroller has

has on his No 1497/27 dated 18th February 1898 taken exception to the charge on the grou that a fresh sanction of Government should be obtained for appropriating the amount from some other head in the budget for 1897-98 the appropriation originally sanctioned having lapsed on 30th June 1897 I therefore solict the favor of the amount expended on the above account being ordered to be met from the general savings in the budget of the Reading Municipality for 1897-98

I have the honor to be
Sir,
Your most obedient servant
